EXECUTIVE OFFICE OF THE PRESIDENT

BUREAU OF THE BUDGET

WASHINGTON, D.C. 20503

January 29, 1964

Honorable John A. McCone
Director, Central
Intelligence Agency
Washington, D. C.

Attention: Mr. John S. Warner
Legislative Counsel

Dear Mr. McCone:

In continuance of the practice of recent years, the facilities of the Council of State Governments are again being made available for circulating legislative proposals which the Federal agencies wish to suggest for consideration by the State legislatures in their 1965 sessions.

The coordination of this program is carried on by the Bureau of the Budget. Any proposals for State legislation which your agency may wish to have circulated among the State legislatures by this procedure should be forwarded to the Bureau of the Budget. This office will request the comments of other interested Federal agencies, advise you of the relationship of your proposal to the program of the President, and when appropriate, forward the proposal to the Committee of State Officials on Suggested State Legislation, Council of State Governments, for consideration. Proposals approved by the Council's Committee will be circulated among State legislatures at their next sessions.

In order to facilitate and expedite the procedure for bringing Federal proposals to the attention of State legislative bodies, your attention is invited to the Index to Suggested State Legislation: Programs for 1941-57 (Council of State Governments, Chicago, December 1956), containing appropriate reference to previous referrals from Federal agencies. The programs for the years since 1957 are contained in separate volumes entitled, Suggested State Legislation: Program for 1958, 1959, 1960, 1961, 1962, 1963, and 1964. These volumes should be in your files since they were included with our letters of those years, and a copy of the 1964 volume is enclosed.

Unless a suggestion emanating as a result of this communication is sufficiently different to necessitate its inclusion, it will not be necessary to restate items previously given circulation.

We have been advised that the Committee of State Officials on Suggested State Legislation will meet on the West Coast on June 1, 1964, to review those proposals on hand prior to their further consideration at a later meeting of the Committee to be held on August 18-19, 1964, in Washington, D. C. In consequence, your proposals should be submitted to the Bureau of the Budget by March 31, 1964, to permit time for coordination with other Federal agencies and consideration by the Committee prior to the June meeting. Each proposal should be submitted in the form of a legislative draft if it is susceptible to this treatment. Otherwise, it should be submitted as a draft statement setting forth the problem and outlining approaches to its solution. We would appreciate receiving four copies of the draft and each accompanying explanatory statement. (At a later date, it will be necessary to furnish copies of each proposal to the Council Committee for its consideration, and it would be advisable to retain the duplicating plates if they have been prepared.)

In order to assure full attention for your proposals, it is important that the March 31 submittal date be observed. We are further informed that proposals contingent upon congressional action can be considered up to the time of the August meeting. It would be helpful if you anticipate making such later proposals to inform us and give as much indication as possible of their substance.

In the event that there are any questions concerning this procedure, please communicate with Mr. Thomas J. Graves of the Bureau of the Budget staff (code 128 - extension 22795).

Sincerely yours,

William D. Carey
Executive Assistant Director
